For areas of concentration, students are required to take nine units of language courses (Eng. 611, 613, 615). The other nine units should be any three of the literature courses (Engl. 610, 612, 614, 616, 618).

Admission requirements:

English majors (AB English and BSED, major in English) are admitted to the regular program upon passing the Graduate School entrance requirements. Non-English majors and BEET) English majors are required to take 12 units of professional subjects in the AB English program before admission into the program.
